Child Protection & Creating Safe Environments: Teach Children to Protect Themselves at Home. Keeping kids safe starts at home. Talk to your children about simple ways they can protect themselves: Know who's at the door-Never open it for strangers. Keep personal info private-Don't share your name, address or phone number with anyone you don't know. Emergency contacts-Make sure your child knows how to reach you & call 911 if needed Safe boundaries-teach them to say "no" to anything that makes them uncomfortable. Online safety-Remind them not to share personal details or passwords online. Open conversations build confidence & help kids make smart choices when you're not around. For more tips & resources, visit, www.erieecd.org/childprotection/.
