Thank you for your consideration, Fr. Bill.

Child Abuse Prevention Month-It is every adults moral responsibility to report know or suspected abuse or neglect of a minor to the responsible authorities. Physical and sexual abuse of minors are pervasive societal problems, and only concerted and sustained efforts by all adults in every segment of society can help to protect children & youth. In the 2023 Pa statewide report, there were 5,129 substantiated reports of child abuse. 1,749 or 34.1% of them were for sexual abuse, 1,350 were physical abuse. Parents remain the persons most responsible for the abuse. To report call Childline 800-932-0312 24/7.

Child Abuse Prevention –Recent statistics tell one in ten children are sexually abused before they turn 18. 91% of sexual abuse is perpetrated by someone the child or the child’s family knows. This means that on every Sunday in our congregation, there are people who have been abused and my continue to experience the pain of that abuse. Reaching out to those who have suffered from abuse is critical in bringing hope and love of Christ to them. Assistance is available for victims/survivors of clergy sexual abuse by contacting the Diocesan Victim Assistance Coordinator, Dr. Gerard Tobin at 814-451-1521.
